

## Professional Learning Outcome Reflections

Please estimate the degree of success using the following scale:

1	2	3	4	5	6
Not at all		Inconsistently/Partly			Entirely

1. As a result of this professional learning experience I was able to: Estimate

A. \_\_\_\_\_

B. \_\_\_\_\_

2. When I implemented what I learned in my classroom, my students were able to:

A. \_\_\_\_\_

B. \_\_\_\_\_

3. Describe strategies you implemented to make application of what you learned in the professional learning experience easier or more successful.

---

---

4. List sources of evidence of implementation or evidence of impact on your instruction and on student outcomes. Provide documentation of that evidence to your administrator.

---

---

---

5. Describe any barriers that still need to be addressed for you to successfully and consistently implement what you learned.
